DHS DHS

'96 HALLOWEEN DANCE

On October 27, 1995, the place to be was Dearborn High's Redwood room. The students gathered in the school wearing frightful costumes for a frightfully good time. From 8:00 p.m. to 11:00 p.m. ghosts and ghouls of various shapes and sizes partied down in the cafeteria at DHS. As in the previous years, there was a contest for the best three costumes. The prizes consisted of \$50.00 for first place and various gift certificates for second and third place. The "Chain Kids" as Mr. Gibb called them, and the "Devil" won the second and third place gift certificates. Andy Hass, Seth Furlow, and Garrett Simpson took off with the fifty dollars as Run DMC. This was Hass's second victory at the Halloween Dance.

Students barely stay alive at the Halloween Dance as Morley looks on.

Hass, Furlow, Simpson just kickin it as Run DMC.

HOMECOMING FOOTBALL GAME

The 1995 Homecoming Football game was a great success for the Dearborn Pioneers! There was no score through the first half, but the Pioneers came back and crushed the Edsel Ford Thunderbirds in the second half with a score of 26-0. Our defense was outstanding as usual as was our offense. The Dearborn Pioneers definitely showed team work which carried us to a great victory!!

Coach Austin and some players watch the game.

Ryan Wilkinson breaking through the offensive line for yet another big gain.

DHS pioneers showing its great offense.

The DHS band did a great job during the halftime show.

DHS Homecoming Festivities

A group of Juniors pose for a picture at the bonfire.

The DHS 1995 Homecoming activities were a great time. Starting off with the bonfire, a pancake breakfast the class competitions and the parade. There was a great turn out and everyone gave it their all. Coming in first place in the competitions were the SENIORS followed by the Sophomores. Everyone had a great time, it was truly a day to remember.

Kevin in the hula-hoop contest.

HOMECOMING 1995

On the beautiful evening of September 30, 1995, D.H.S. had its largest Homecoming Dance ever. Two hundred and forty-eight couples hit the Redwood Room to the theme "Between Your Heart and Mine" from the Allison Krauss song "When You Say Nothing At All". The dance was the highlight of the homecoming festivities. However, the dance was just the beginning of a wonderful evening for all of the students who attended. There were many after-dance- get-togethers, where good friends gathered to celebrate the memorable evening. The 1995 Homecoming Court attended the dance represented by their Queen Danielle Bird and King Jim Hefferan. The whole court had their turn in the limelight as they danced their traditional court dance to the song "Lady in Red". It was a night to remember for everyone.

Academics

Principals probably have the most demanding and difficult jobs in the administration. They assist students, professionally, academically and personally. They're always there to discipline or to just be a friend. Their other main concern is the staff. They organize meetings and provide a safe and friendly school for both students and teachers.

After his first year at DHS Mr. Guido puts the "pal" back in principal. "I am really enjoying working with and for the student body."

Left: Mr. Guido patrolling the halls.

Lower Left: Dr. Blackburn taking time out of her busy schedule.

Lower Right: Mr. Rockwell keeping the halls in order.

Doctor Merice Blackburn, assistant principal, has been working for twenty-three years in the Dearborn district and nine years at DHS, "We have great kids this year."

After his third year at Dearborn Mr. Rockwell is happy to be a part of DHS. "The students this year have been the best ever. I'm happy to be an administrator here."

OFFICE STAFF

Annette Klauke, Christine Sickle, Debby Frision taking time out off their busy schedules.

Keeping things running smooth is just one of the many jobs of a secretary. They must be very patient and organized to deal with not only the students but with the teachers as well. To add to the long list of jobs, secretaries coordinate office activities, handle all student records, and prepare the daily bulletins. They're always willing to give friendly advice, whenever you enter the office.

1. Chris Sickle listening intently.
2. Annette Klauke, acting bashful.

GUIDANCE

Counselors help and aid us with many of our important decisions, including college choices, class schedules and future career choices. Counselors also help and advise students with problems. You can trust your counselors with everything and you always know they'll be there for you.

3. Jayne Harworth is happy to help.
4. Jim Hoey enjoying his work
5. Mary Nieporte working on schedules
6. Larry Pye giving friendly advise

SPECIAL SERVICES

Unbeknownst to many at DHS there are several Special Services available to them. These professionals provide services such as speech therapy, social work, psychology, and learning resources. They work hard to assist students on homework, speech, and other difficulties. They also are there to be a friend and to help students in their time of need.

SOCIAL STUDIES

The Social Studies department is one of DHS' most important subject areas. To graduate, a student must pass World Civ. 1 and 2, U.S. History one and two, and Government and Economics. If you are yearning for more Social Studies once your mandatory classes have been passed, a student may continue his or her education by taking Psychology, Sociology, or Geography as well as other A.P. classes.

ENGLISH

Creative Writing, Journalism, Literature, Short Stories and Poetry and Yearbook are just a few of the many English classes that are taught by our excellent teachers at Dearborn High. To graduate every student must have passed eight semesters of English. Opportunities to write for the school newspaper, yearbook or our school's literary magazine, the Muse, are also available to students. AP Literature and AP Composition are also offered to students who want the challenge of college-like classes.

Science

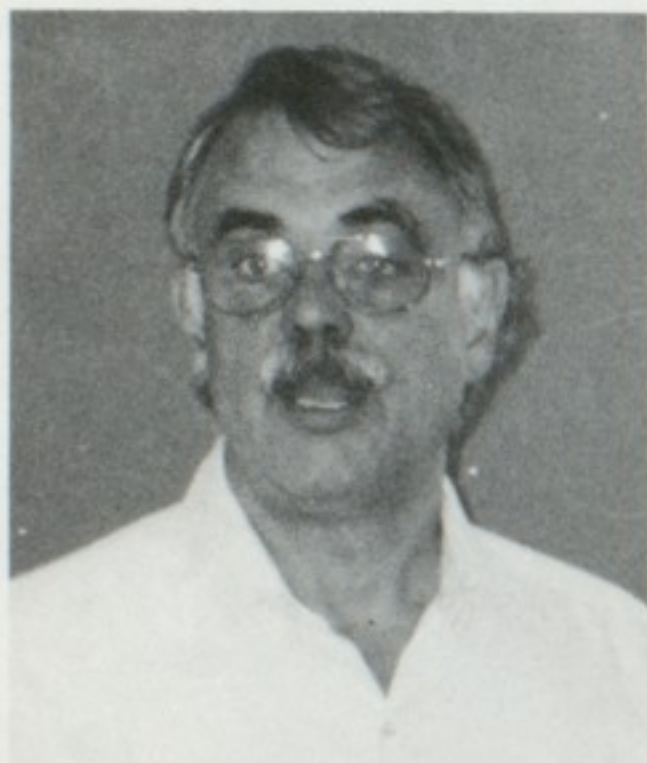

Science is one of the most diverse areas of study. Dearborn High offers many classes that cover a wide variety of subjects. The classes range from horticulture to biology. Many of the classes use the new lab equipment from last year to allow the students to experience things hands-on. In addition, this year advanced placement chemistry was offered in the curriculum. Also, there are several new members of the science department, Mr. Scott and Mrs. Ferris. The staff in the science department enjoy their occupation and are always willing to help in any way.

The area of mathematics is one of the most useful areas of study. Mathematics is used in numerous majors and careers such as science, engineering, education, and computer science. A new approach to teaching has been introduced into the curriculum this year, Integrated Math, in which all types of math are introduced. There will not be any geometry or algebra classes, instead both will be used in the same class. The goal of this method of teaching is to help students improve in proficiency tests.

Phys. Ed.

Physical Education classes are designed to push you to your limit and keep you active for at least two years of your high school career. So whether you like them or not, you might as well make the best of them. There are many alternative gym classes such as basketball tech. and team sports. Participating in gym allows you to keep in shape while having fun and learning the responsibilities of being on a team.

VARSITY FOOTBALL

SEASON'S A BIG "ZERO"

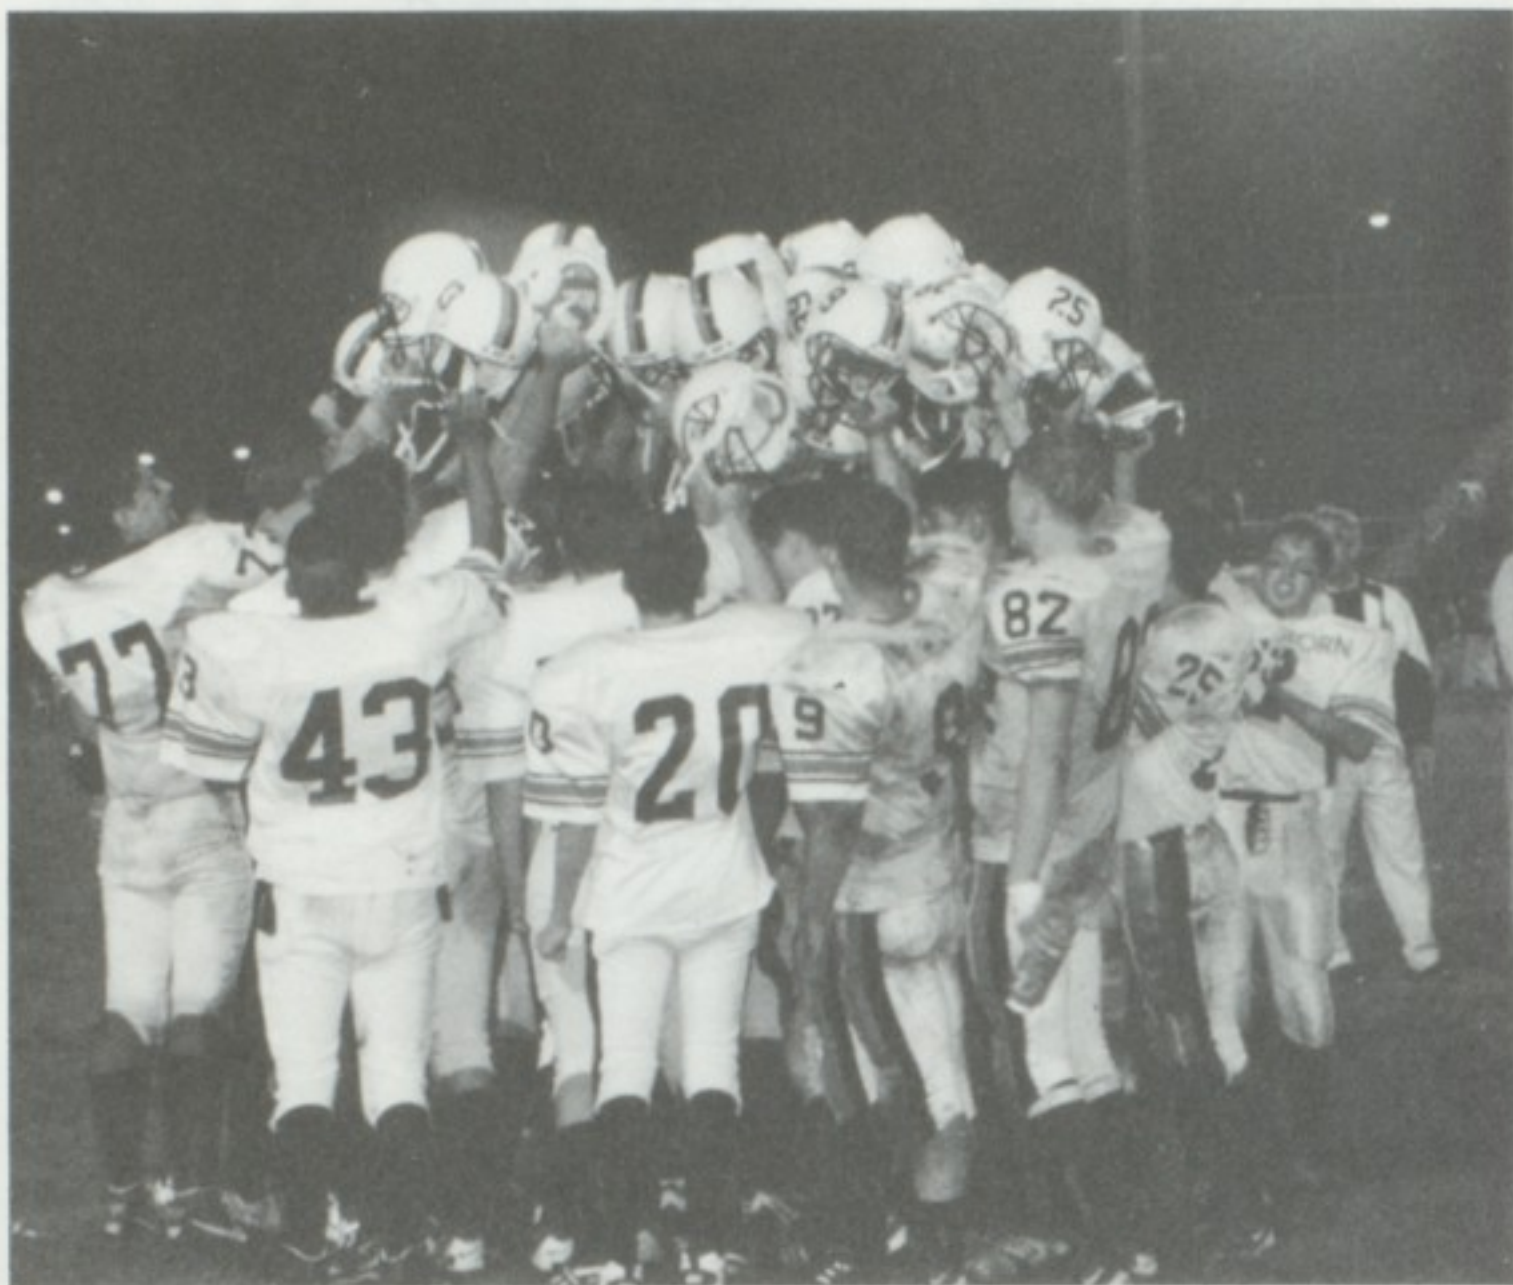

The 1995 Dearborn High football team experienced a fairy tale season. For four hundred and eighty consecutive minutes, forty straight quarters, Dearborn High's defense did not allow a single point. Not a touchdown, a field goal and especially an extra point was scored in ten truly amazing football games. During this streak Dearborn eviscerated its opponents three hundred and seventeen to nothing. The ten consecutive shutouts in one season were a Michigan high school football record.

The Pioneers had set some goals that they wanted to accomplish. The major ones were winning the league, beating Edsel Ford for the Spirit Bowl, going undefeated, and entering the state playoffs. They accomplished all of those and added one. The Pioneers went undefeated, but ten shutouts were more than even they could have dreamed of.

The Pioneers opened the season with Livonia Churchill beating them 35 - 0. Later, they beat the Edsel Ford T-Birds on Homecoming day, 26 - 0, winning the Spirit Bowl. The Pioneers won the league by putting Southgate away 28 - 0. They went to the Silverdome to play Woodhaven and tie a Michigan High School state record for the most consecutive shutouts, and did it, 28 - 0.

The Pioneers went to Detroit Chadsey for the first round of the playoffs and captured the state shut out record, which was ten, by beating them 20 - 0. This was followed by a hard fought defeat to South Lyon in the freezing wet snow.

The Pioneers finished the season with a ten and one record. The best season in Dearborn High's history brought other rewards. Kevin Kreger made the first team All-State Team at quarterback, and Jeff Simpson and Mike Alaweih made first team Class A.

The Pioneers celebrate after another well deserved win, way up in Alpena.

Captain Kevin Kreger bootlegs left.

Charlie Chami makes a great grab.

Dearborn's bone crushing defense stops another play, for another shutout.

This was a common sight, this season, for the Pioneers at McIntyre field.

GIRLS VARSITY BASKETBALL

Dearborn High girls basketball team looked to reload, and not rebuild after coming off of the winningest season in school history. The Season started 6-0, going into a game against state powerhouse Ann Arbor Pioneer. In the Game, Dearborn star Krissy Kachaturoff was injured. The game was just barely lost, and Kach was sidelined the rest of the season. Coach Rose Gross stated, "Krissy is one of the top ten players in the state, her lost was significant, but it's a good thing there were Seniors ready to step up." And step up they did! Mary Fournier took the load of scoring, and Colleen Gapa's relentless defense became even more tenacious. The Lady Pioneers finished second in the Mega White. Two big games were against Woodhaven and Monroe. Gross stated, "The win over Monroe was particularly special. Watching Mary (Fournier) make the last second shot to win the game was incredible. You don't forget moments like that."

VARSITY FIELD HOCKEY

THIS IS HOW THEY DO IT

The 1995 Girls Field Hockey team had high expectations following the success of last year's team. This team consisted of twelve returning seniors, two returning juniors, four new junior members, and one sophomore.

These girls exemplified the true meaning of the term "team" both on and off the field. Their teamwork was severely tested; however, due to many injuries, the girls often found themselves in new positions with changing line ups. Though, they didn't finish the season as they hoped, finishing sixth in the state, their good attitudes made for a fun-filled season.

In all, everyone contributed to the season. Those honored were senior captain Jodi Kowalski (All-State first team) and senior Kristen Stadtmiller (All-State second team).

BOYS CROSS COUNTRY

When Coach Bridges was asked to comment on the 1995 Boys Cross Country season he replied, "The beat goes on-QUALITY." This describes the team perfectly. The standards for Dearborn Cross Country are always so high, that it is difficult to accomplish all the goals they have set and actually have a good season. This year the boys ran to a 6-1 record in the dual meets and a 3rd place finish in League. These accomplishments were not easy to do, losing 5 state qualifiers last year. Sophomore Reed Steele and senior captains Pete Schmitt and Brian Peck represented the Pioneers this year at States. The entire team was one runner away from qualifying as a whole. The team worked very hard everyday and had a lot of fun.

Val Kedzo was All-City, All-League, and a State Qualifier this season. The girls were coached this year by Mrs. Beth Dunleavy. "I am overall pleased with the season, with only two seniors this year, it should be a good season next year," replied Coach Dunleavy. All the girls worked really hard, and showed great dedication to the team. With a talented team like this, we can't wait to see what happens next year.

This year's Lady Pioneer's swimming team showed us once again their wonderful talents and accomplishments with strokes, dives, and warm-ups. The girls were led by senior captains Colleen Bolan, Alexis Kratz, and Lauren Tenglin. This year's team consisted of twenty girls with four wins and six losses. The girls had a League record of 5-1. Their coach Brian Savalox had a few words to say, "This season proved to be successful with seven All-League and nine All-City selections, more than any other team. Even though we surrendered the League Championship by 23 points to the eventual State Champions, the Trenton Trojanettes; the Lady Pioneers proved to be the best team in the area once again." Those honored for All-League were the three captains along with Laura Smith, Andrea Monroe, Haley Burns, and Amanda Garrison. The 1995 golf season was an extraordinary success. This season, the pioneers finished 14 - 1 with a first place overall finish in the Mega Red Division standings. Their only loss was to Trenton on a controversial tie breaker. The season ended with the team finishing fourth in regionals.

This year's golf team was led by the senior experience of Bob Spencer, Marc Danysh, Anthony LaRusso, Mike Roman and Rod Schook, who did an excellent job of playing well above the preseason expectations. The underclassmen also had a lot of good swings, and things look good for the future of the DHS golf. Marc Danysh said, "the golf team was good all the way through, when someone stepped down there was always someone to fill in."

Girls Varsity Tennis

This year's girls varsity tennis team ended up with a great record, they were 11-0-2. The tennis team traveled to tournaments where they earned 19 points and placed third at the Monroe Invitational. They beat their rival, Edsel Ford twice in the regular season. They ended up number one in league and also finished number one at the league and regional meets. Because there were only two seniors this season, Coach Don McCathney is looking forward to next year's team coming through strong. This years captions were Amy Barber and Elizabeth Pernicano. Next season, they will miss seniors Laura Waszczuk and Elizabeth Pernicano.

Blazing New Trails

The 1995-96 boys basketball team blazed new trails in a new league. They opened up their first game on the road against Livonia Churchill. After a hard fought battle Dearborn was unsuccessful in coming home with a victory.

The team was hit hard by the loss, but managed to go on a seven game winning streak, which included cross-town rivals Edsel Ford, and Fordson. The team faced back-to-back losses to Woodhaven, and Wayne, but managed to win the last six out of ten before entering Districts to face Edsel Ford for the third time of the season, and soundly defeated them. Their next opponent was South Western in the District finals. Dearborn played a great game, but South Western came away with the victory leaving Dearborn runners up in Districts.

The season record doesn't fully explain the Pioneer success. They were a team that overcame many obstacles, and they did that with great leadership and a great amount of heart.

'96 Boys Swim Team

After 31 years of Dunworth family involvement in Dearborn High School swimming, this year's boys swimming team turned over a new leaf with a new head coach and a number of new faces on the pool deck. With only one senior among just five upper classmen, the Pioneers fielded a very young team with very little experience. As result, the Pioneers finished 6-8, their first losing record in 33 seasons. While finishing second over all in league with a 5-1 dual meet record and second place finish at the League Champions. Senior Michael Boyle was named MEGA Conference "Swimmer of the year" for the second consecutive season and earned automatic All American honors with varsity records in both the 200yd. freestyle and 100yd. butterfly. Boyle and sophomore Reed Steele headed up the Pioneer's state championship contingent which finished 19th, their 31st straight top 20 finish.

1995-1996 STUDENT COUNCIL

Student Council is a group of people chosen by their peers to represent the entire student body. It consists of 15 students from each grade. The President is Chrissy Hieb, the Vice President is Andrew Hass, the Treasurer is Seth Furlow, the Secretary is Colleen Gapa, and Mr. Cooper is the advisor. The students organize and plan different and fun events throughout the year. The students start the year with a weekend trip at Camp Dearborn, where they plan the events for the upcoming year. They collect food for the less fortunate at Thanksgiving, have Pride Week and Spirit Week, visit children's hospitals, participate in the March of Dimes, host a Mega League exchange, and sponsor the Snowball and the Homecoming Dance. They had one of their most successful years and never had such high participation.

National Honors Society is a group of individuals selected by meeting various requirements. These requirements include high academic, leadership, and citizenship skills. For a student to be invited they must have a 3.5, and have a community service background. Through the year they work on projects like the Red Cross Blood Drives, that take place in November and April. A food and clothing drive for Coalition On Temporary Shelters is also held. The Pres. is Sarah Schebor, Vice Pres. is Seth Furlow, Secretary is Megan Butler, Treasurer is Jill Sestok, and advisor is Ms. Gardner.

KEY CLUB

Key Club (Kiwanis Education Youth), is a world-wide organization set up for highschool students to be involved in. It is the largest high school community service organization in existence. The main purpose of this club is to help out the community, and plan many projects to complete before the end of the year. At international level they have dual themes. One theme is a K-family worldwide project to virtually eliminate Iodine Deficiency Disorder. Their district theme is to help the homeless. This year the president is Elizabeth Getner, and Muriel Bunch is the sponser.

PFSA

The Dearborn High Parent Faculty Student Association was organized to provide opportunities for parents, students, and staff to join in a working relationship and to promote communication between the school and the community regarding the education of DHS students. It also encourages family support for academic and extra-curricular activities, the standards established for student's behavior and opportunities for student social activities.

AUTO CLUB

This year's Auto Club was very exciting. The individuals who participated worked hard to learn about auto mechanics. Throughout the whole year they accelerated and strived to learn about anything from motor rebuilding to electronic engine diagnostics. Every spring and every fall the students participate in the Milan High School Nationals. There, the participants learned how to race faster.

CHRISTIAN PRAYER GROUP

When most of the students at DHS think of the Christian Prayer Group, they think of those people who always have the real cool announcements. But it is more than that. Sam Alvarado and Dominic Michalik started it last year. The group meets every Wednesday to pray for moral support, and discuss God's word. These pioneer prayers hope to offer their peers an alternative healthier lifestyle, and draw closer to God. Their sponsor is Mr. Minton.

MODEL UNITED NATIONS

Model United Nations discusses some of the most pressing and important issues facing other nations in the world. A conference, which is held at least once a year, allows students to represent these countries and discuss the issues. The countries can be very well known or somewhat unknown to the students. They have many speeches to prepare. Over the years Dearborn High's Model UN team has won many awards, including delegations awards, as well as several individual awards.

Model United Nations has many participants this year, which will add to their traditional success. Their sponsor, Mrs. Zimmerman, and the students attend conferences at least once a year.

The group puts up posters around the school, sells red ribbons, and sells t-shirts. S.A.D.D. plans on painting their logo in the student parking lot. This is to remind students from day to day not to drink and drive. The officers include president Jill Sestok, vice-president Rami Abousaleh, secretary Chrissy Hieb, and treasurer Seth Furlow. Their sponsor is Ms. Cranfield.

DRAMA

This fall the performing arts department presented *Antigone* with the direction from former student Greg Viscomi. Through a lot of hard work and long hours the performers put on spectacular performance. Being involved in school plays, allows students to learn all the aspects of theater, from lighting, make-up, as well as performing on stage. The play was a big success, all the extra help was greatly appreciated. The play was about a girl named Antigone who must make a decision between obeying the law and doing what she believes is morally right. She goes through many hardships and fights continuously for what she believes in. In the end she gets put to death by her infamous uncle, the king.

BACK PORCH VIDEO

Roman Schild and producer Matt Rea look into the cameras as they talk to the viewers. They perform their own half hour segment every Saturday night.

Every Saturday night at 7:00, teens from all over Dearborn converge to Cablevision Studios to put on Back Porch Video, a one-of-a-kind music video show. Supervised by Max Scott, these people work to put together the music videos and the set to host one of the only shows in the area where students can show their talents and their abilities with video. Sponsored mainly by Russ Gibb and his class of video technicians, they show videos from new and upcoming bands who are trying to make their way up to the top. Besides the chance to see and edit music videos, it is also a chance for video students to experiment and become more familiar with the field of television by creating an environment in which they may get a hands-on approach to the field. They are responsible for all of the camera work, lighting, audio and graphics that make the show what it is.

WDHS / VIDEO CLUB

Russ Gibb (**above**), the teacher / advisor of WDHS, gives his students a chance to perfect their abilities within the studios of Dearborn High. Students come in after school to edit their videos on the equipment within the room. These videos range from assignments Gibb has given to openings and clips for use on Back Porch Video. They also come to work on video shoots for the Dearborn Schools Channel on Cable. All the experience that they acquire helps them to excel in a class that is the basis for today's entertainment industry.

Chorus

This year's chorus has done many different things during the year. The Dearborn High School choir sang in many different school concerts during the year, including the Christmas concert and the spring concert, which are held in Dearborn High's auditorium. The DHS choir has done many different fund raisers to raise money for their trip to Chicago. During Christmas time, the choir sold chocolate suckers; and on Valentine's day, the choir had singing telegrams. This year's choir also sang in the musical Guys and Dolls.

Ms. Madias-Kalasz is happy to be the choir director.

Band

This year's band program has done many exciting things. This year, the marching band had the privilege of playing at all of the home football games, including the night game and the game at the Pontiac Silverdome. Mr. Jeff Oshnock was the director of the Dearborn High marching, jazz and concert bands; as well as the orchestra. This year the jazz band has the opportunity to go to Chicago for a competition, and a nice, relaxing trip away from the hardships of high school life. The band always has an invitation to participate in special events such as the pep rallies, homecoming parade, special competitions, and the Memorial Day parade.

DEBATE CLUB

The 1995-1996 debate club made great strides this year. They went to the Michigan student congress at the capital building in Lansing to help them get ready for the debate season. All the preparation helped the students qualify for states during the district tournament. This was the first time since 1977 the team qualified for states. The most outstanding students were Ryan Boskay and Carrie Downs. Ryan received 2nd place and Carrie received 4th place in league for speaking. They all did a great job.

ECOLOGY CLUB

(left to right) Jenni Moreno, Colleen Morabito, Stephanie Joseph, Any Treap, Ms. Shajira, Juliet Boucher, and Dana Falconberry

Ecology club started out with a bang this year. They started out with some fund raisers to raise money so that they could help environmental care clubs and agencies to save things like the rain forest. Their driving force powered by care for our earth is what makes them so strong, but it's not all work for them they need some reward.

Their favorite rewards are canoeing and camping. For all the work they have done they deserve all the rest and relaxation in the (clean) world as they can find.

FORENSICS

You ask what is Forensics? Forensics is a class where you read poetry, monologues, prose, give sales presentations and speeches consisting of impromptues and persuasives. Forensics is a class where you learn to prepare when choosing careers that require public speaking.

STUDENTS GOING TO FRANCE

These are some of the students traveling to France during the summer for three weeks at the end of June. They will be traveling on a very well known train called the "Bullet". They will be staying in the Reveira. They have been planning this trip for three years and are excited it is almost here. There are about forty kids going on this trip, and they can't wait for the experience. One week out of the three they'll be staying with a French family to experience how it would be to live and speak French all day.

Odyssey of the Mind

Odyssey of the mind (O of M) is made up of a group of ten students who are interested in solving problems and having fun. This year O of M has two teams of five students. Each team will be given a long-term problem in which they must solve the problem by creating props, using skits and letting their imaginations go wild. Each year the teams go to regional competition, and must solve a problem given to them in a certain amount of time. Hopefully the team will do well at regionals, proceed to states, and then worlds. O of M is sponsored for the first time at Dearborn High by Mrs. Creely, who has sponsored other O of M teams in the past. Odyssey of the Mind is a club in which students use their creative minds and common sense to solve a problem.

The Art Club is a student-run club sponsored by Mr. Wells. They meet every Tuesday after school for one hour. This club is designed for students to have fun creating art, and there are contests that the students can submit their work into, although there is no pressure to do so. Students are encouraged to come and show their artistic talents. The club was established to allow students the chance to come after school hours to explore their creative talent and create art without the pressures of a classroom environment. Mr. Wells volunteers his time after school, once a week, so that students have the opportunity to have fun creating art. You do not have to be in an art class to join.

B.A.B.E.S.

B.A.B.E.S., or Beginning Alcohol and Addictions Basic Education Studies, is a student group run by Mr. Pye. He has sponsored the B.A.B.E.S. program for five years now, while the school has run this program for about eight years. B.A.B.E.S. is open to any junior or senior who wishes to participate in helping younger kids understand the affects of drugs and alcohol. The students go to local elementary schools to educate youngsters on peer pressure, self-image, decision making, coping skills, getting help, and alcohol and drug abuse. The students put on a puppet show for the third graders to explain, in terms that they can understand, the pressures of life after and during high school. The B.A.B.E.S. visit with third graders once a week, for a total of six weeks.

Muse

Muse, a literary magazine, is designed to allow students a chance outside of school to publicize their writing and drawing ability. The students meet every Tuesday after school to edit, put together and make fund raising plans for the magazine. Muse is a student run organization sponsored by Mr. Ossenmacher. This is Mr. Ossenmacher's first year as sponsor. Mrs. Baginski was the sponsor since retiring, Mr. Ossenmacher had taken over the postion. The group consists of creative students willing to give their time and use their creative and imaginative minds to produce Dearborn High's literary magazine. Muse puts out one magazine a year and offers it to the student body.

The Observer

The Observer consists of students who have a special talent and dedication to publish and distribute the school newspaper. This year The Observer, published a four page issue every Friday, produced two focus issues per semester and had two staffs per semester. The Observer meets everyday for one class period and discusses the next week's edition. The five editors this year were Kim Kochanek, Liz Lahotti, Rebecca Willenborg, Mike Boyle (sport's editor), and Rachel Webb. This year the paper was privileged to have two artists, Stacey Keenan and Marc Dade, and one photographer, Nazieh Kadry on staff. The Observer requires a lot of time and creativity but is also a fun and great class to be involved in.

The Pioneer Outpost, formerly known as The First Stop, is Dearborn High's, very successful, school store. The store is run by students taking business courses and the teacher advisor is Mr. Rick Austin. Students taking this course learn how to run a successful business and the students take on different roles that are needed in running a good store. The store is open during both early and late lunch and occasionally after school. The Pioneer Outpost offers many things to buy in the store like candy, mugs, cards, school supplies and DHS apparel. The Outpost is a lot of hard work but is fun and it pays off at the end of the semester when the store makes a profit. Lunch just wouldn't be the same without the Pioneer Outpost!!

YEARBOOK

The massive amount of students wandering around the hallways during school hours are most likely the yearbook staff. Many people think that yearbook is just for exercise, but when one sees the wanderers they are usually running errands to complete a deadline. Our hardworking staff is led by stressed out senior Jennifer Morley. The '96 yearbook is unique because of all the creative artwork contributed by Jenni Furdak. This year's staff was the largest in yearbook history. The hard work from each individual was combined to produce one of the greatest yearbooks ever. But this great yearbook could not have been produced without the help of the two year veteran advisor, Mr. Kevin Dunleavy.

Spirit Week '96 was awesome. Each class had a color: seniors blue, juniors white, sophmores green, freshman brown, and teachers red. The classes decorated hallways this year by being very creative and artistic. The themes were "seniors flying high in '96", "you're in heaven with the class of '97", "the class of '98 is leaping with luck", and "freshman are brown". It was a very exciting week with class games, starting on tuesday with scooter races wednesday mummyifying, thursday bubblegum blowing, and friday - tug-o-war. Also friday, there was a pep rally and a senior/faculty basketball game. The varsity basketball team played Romulus later that night.

March 2nd celebrated this year's winter formal sponsored by the Student Council. Journey's "Open Arms" named the night. Some of each class attended with and without dates, since stag tickets were also sold. One of the main attractions proved to be the court announcement, when the winners of each class were finally revealed after a full week of waiting. If the winner wasn't present, the student with the next highest votes was crowned. All in all, it was a great success, with new crowned royalty represented by seniors Natalie Comeau and Mikey Alaweih, juniors Nicole Guibord and Avni Sullori, sophomores Sara Tonnies and Mousa Ahmed, and freshmen Leslie Brown and Colin Wilkinson.

FADS 'N FASHIONS

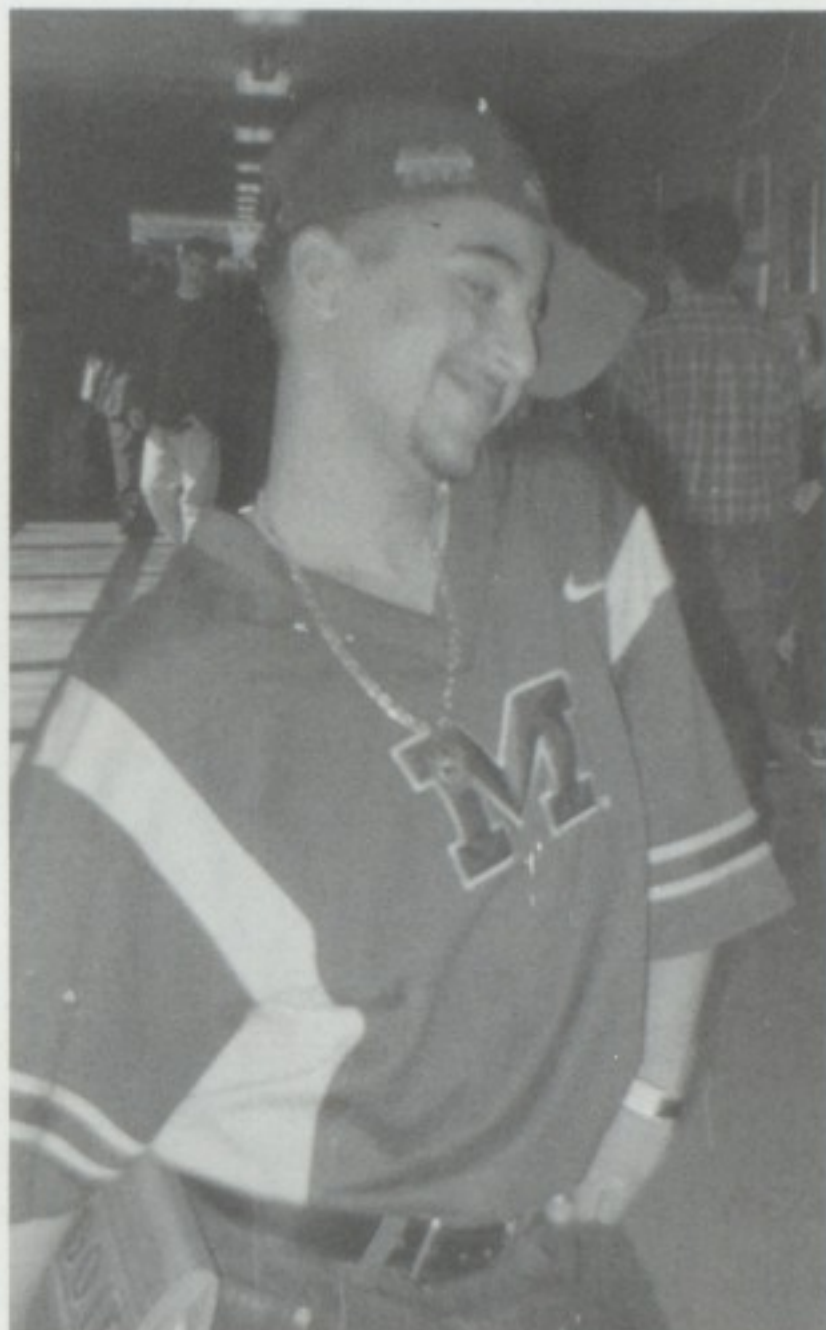

In the halls of Dearborn High School, many different styles and fads can be seen. Some styles raise questions as to whether they are about fashion or attention. But one thing is for sure, everyone at DHS has a certain style. Out of the many fads and fashions at DHS, pictured on this page are a few of the prevailing ones in 1996.

M. Norris and S. Babila are chillin'.

Toted on the backs of many DHS girls are back-packs like this.

Ernesto; pimped out in his jersey and hat.

S. Makhlid has the Jennifer Aniston 'do.

Clunky heels are it for shoes as shown by R. Herbert, J. Willoughby and K. Norlock.

Michele Tofil is always up on the latest trends - down to her BOKS.

Jordie Smith doesn't need a style - Barely there hair is how alternachics wear it. he looks good in anything.

Many of the athletes sported shaved heads this season; pictured here are Reed Steele, Anthony Morabito, Lennie and Ray Gaugher.

Manicured nails are expensive, but for the DHS ladies, it's worth it.

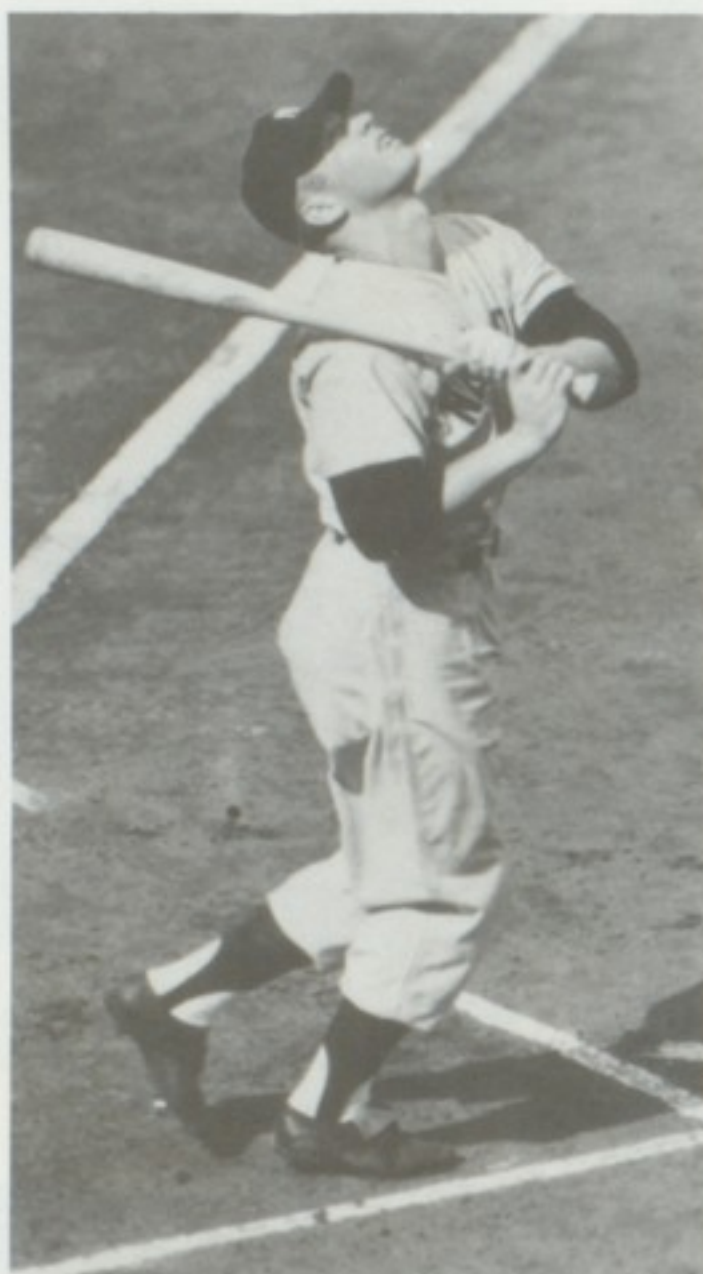

SPORTS

The 1995-96 sports year featured the return of Michael Jordan from retirement to the NBA. In just his second game back, he poured in 53 points against the New York Knicks. Also in basketball, Magic Johnson of the L.A. Lakers returned from retirement. In hockey, Wayne Gretzky of the Los Angeles Kings was traded to the St. Louis Blues for prospects Patrice Tardif, Craig Johnson, Roman Vopat, and two first round draft picks. Lastly, Mike Tyson returned to the ring defeating Frank Bruno in the third round on March 16, 1996 to win the WBC title.

Pete Sampras won his 3rd Wimbledon and 3rd U.S. Open vs. Andre Agassi.

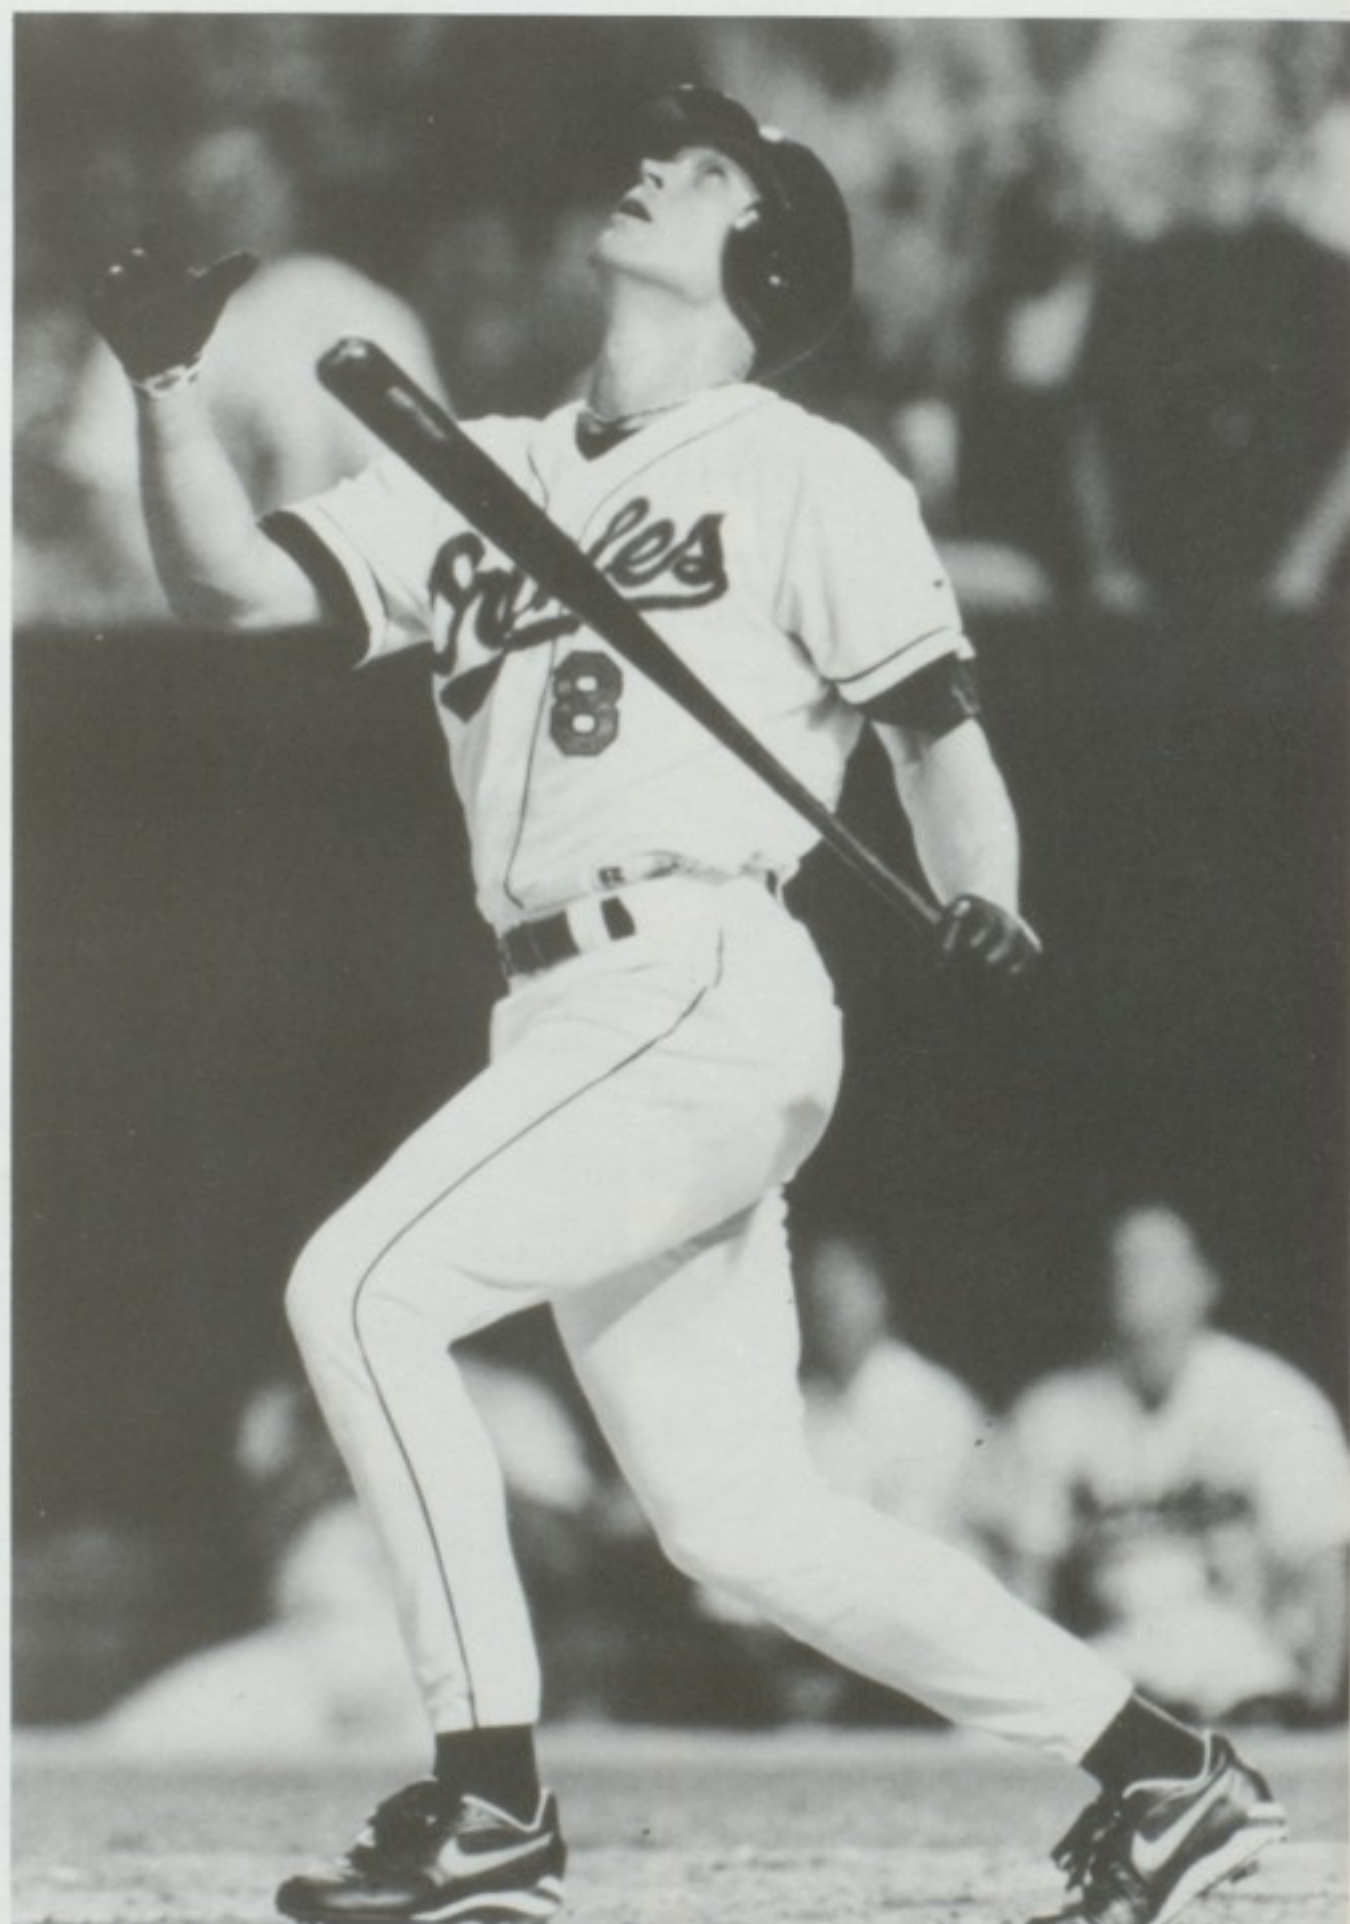

The nation lost a legend when Mickey Mantle died of cancer after a transplant.

Dallas won Super Bowl XXX (their 3rd in 4 yrs.) beating Pittsburgh 27-17.

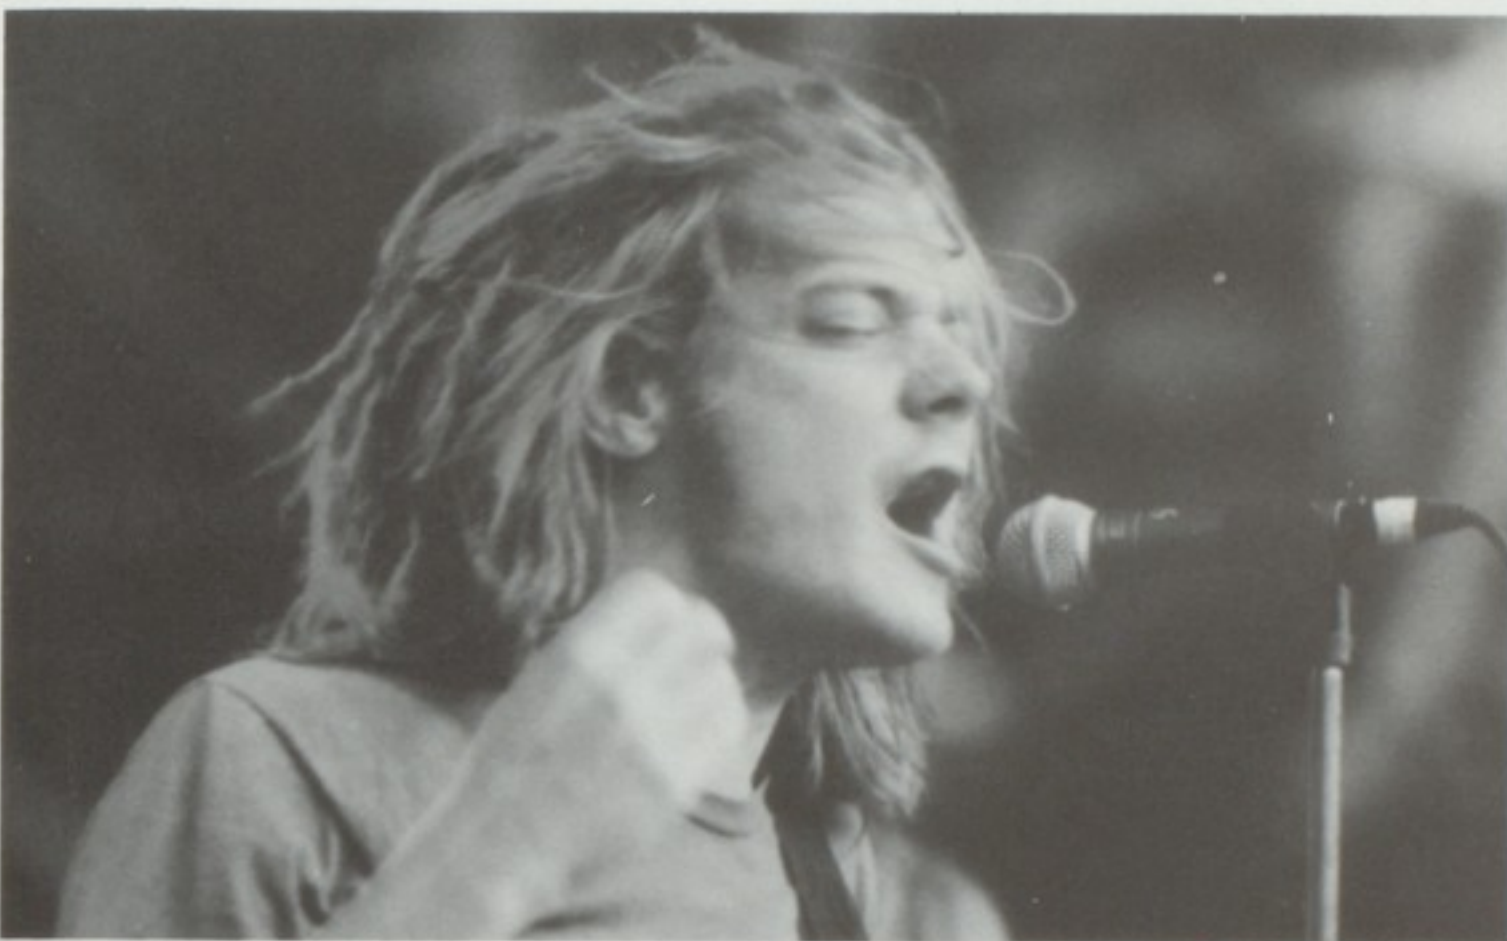

The Atlanta Braves won the World Series in a 4-2 series triumph over Cleveland.

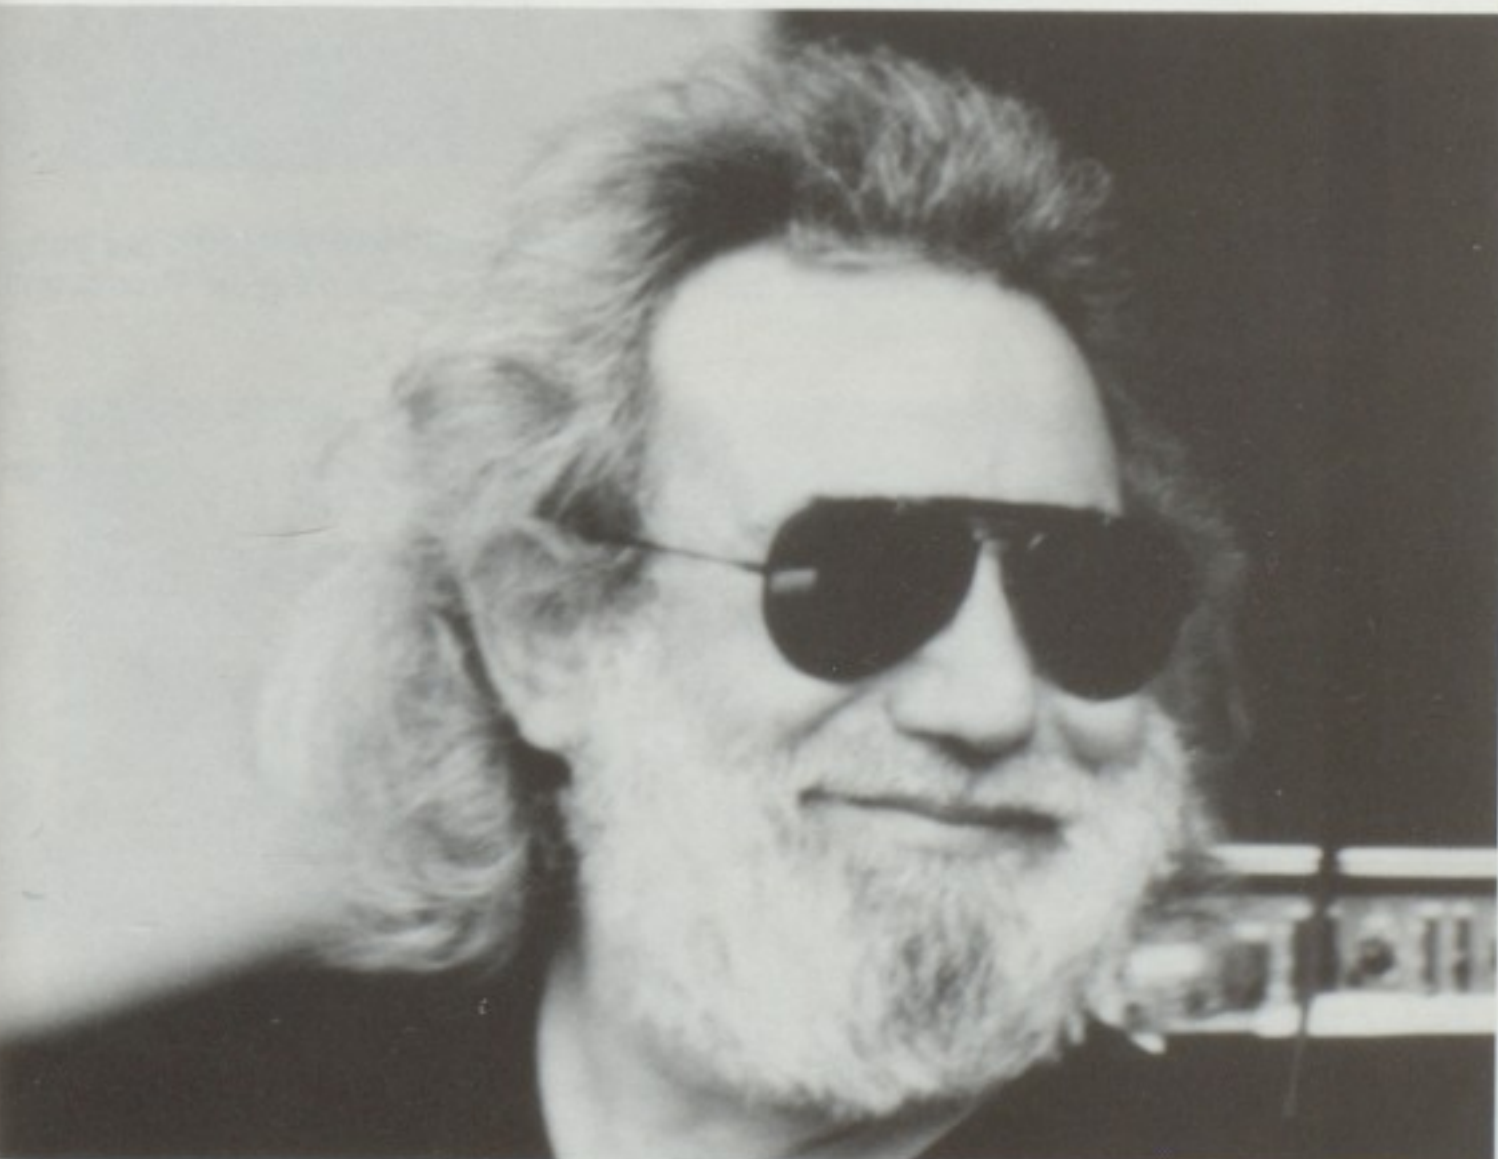

Cal Ripken broke Lou Gehrig's record when he played in 2,131 consecutive games starting in 1983. He finished the season playing in 2,153 games.

Blues Traveler's album "four" hit gold status in 1995.

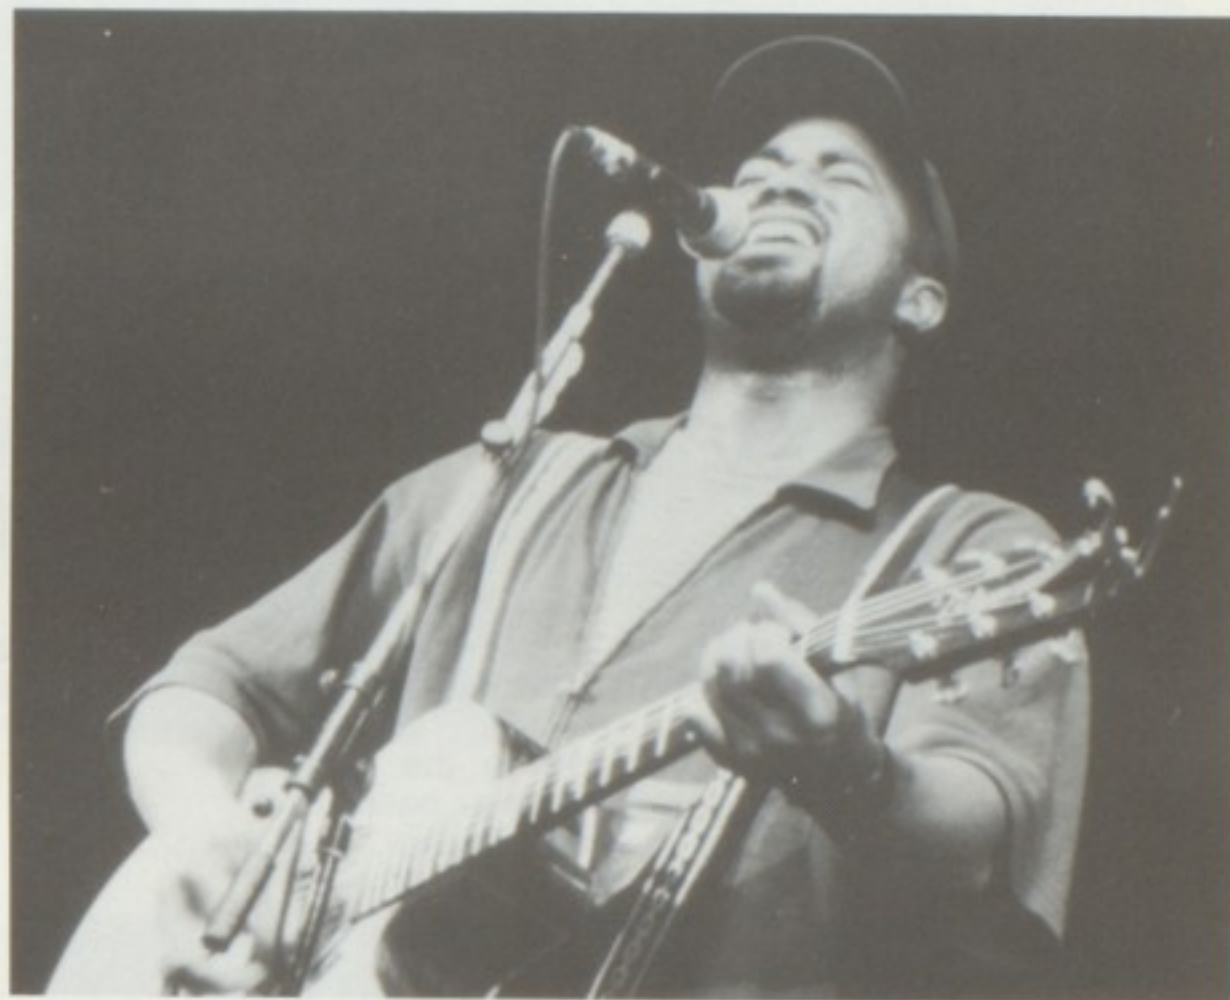

Soul Asylum is best known for their blistering live performances and platinum sales.

Legendary live rock performer Jerry Garcia of The Grateful Dead passed away in '95.

ARTS & MUSIC

During 1995, the music industry was very prosperous. The much anticipated Beatles' Anthology hit instant platinum status, the long awaited tours of Led Zeppelin and AC/DC finally arrived, and new bands such as Silverchair and Bush found overnight success. Legendary rock band "The Grateful Dead" decided to disband because of the death of bandmate Jerry Garcia.

Hootie and the Blowfish's album "Cracked Rear View" outsold most.

Sheryl Crow (pictured here live) toured relentlessly in 1995.

The Cranberries took U2's place as U.S.'s favorite Irish rock band

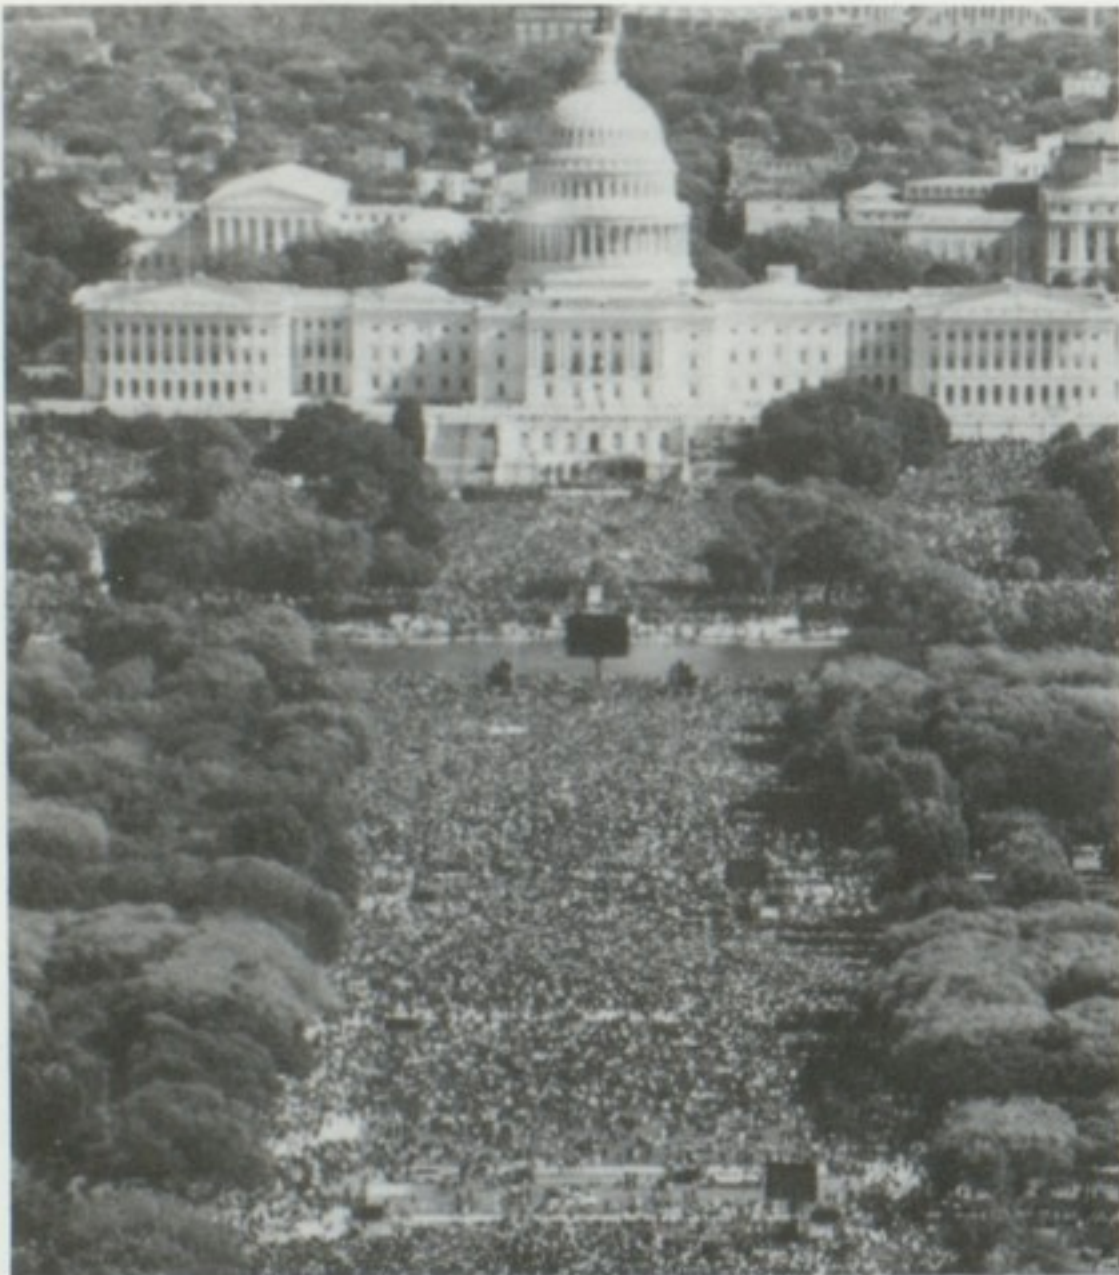

World News

More than 3 million people live in the former Yugoslavia, and more than 200,000 have been killed and tens of thousands have become refugees. There remains a deep reservoir of bitterness throughout the former Yugoslavia, and NATO continues its attempt to bring peace to Balkans.

This season's hurricane damage in the Atlantic region brought about the most dangerous storms in history. Each storm is named in alphabetical order, but the letters Q, U, X, Y, and Z are not used because of the rarity of names that begin with that letter.

Hundred of thousands of black men marched in Washington in a spirited rally for unity. The day was filled with praying, singing and speechmaking. Many of these men hoped this event would settle differences with white men.

The civil war in the former Yugoslavia continued as the 1995-96 school year began. Four years after the wars of Yugoslavia's destruction began, there was still no peace among the Croats and the Serbs and the Muslims.

The Supreme Court made decisions making it harder to justify giving minorities and women preferences in the awarding of federal contracts; and the Clinton administration was re-evaluating federal affirmative action programs.
